REEL OPPORTUNITIES

CAREER WORKSHOPS IN FILM & TV

Host a one-hour online workshop **featuring film industry professionals** who will share their own experiences in the industry, and provide an overview of career paths in Canadian film and television.

The Reel Opportunities programme includes:

- Online interactive workshop with Q&A, with curriculum-based lesson plans or activity packages, suitable for in-person or remote learning
- Option to focus on a particular job role/department (see inset for some choices)
- Youth-centred web resources and follow-up activities for further exploration
- Flexible timing throughout the school year
- Available in English and French
- Available for youth aged 12-30, **with a new Grade 7/8 workshop,** adapted for younger learners
- **All completely free of charge!**

PRESENTED BY REEL CANADA
reelcanada.ca

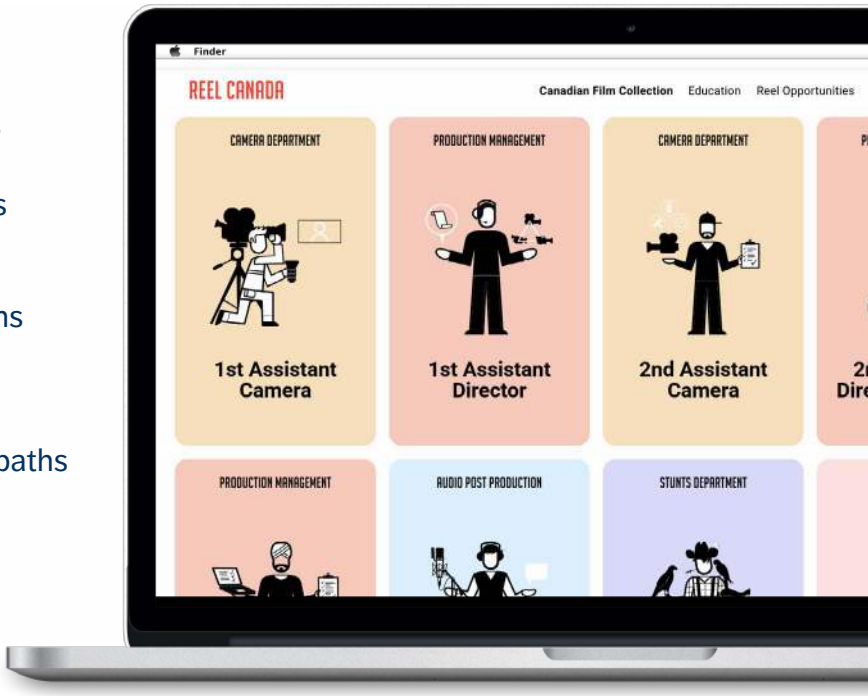
I recommend REEL CANADA to people all the time. Their workshops are fantastic and their website is the best place for Canadian kids to explore the industry.

— Teacher from WillowWood School, Toronto

ONLINE CAREER ZONE

The Career Zone on the REEL CANADA website caters to students, young professionals, and job seekers who are curious about the opportunities the Canadian TV and film industry offers.

- An interactive database filterable by strengths and interests
- Unique “What will you be?” Career Quiz
- Video resources, diving into possible career paths
- Information about guilds and unions across Canada
- Available in French and English
- All completely free of charge!



ABOUT REEL CANADA

We’re a non-profit organization that celebrates Canada through film, bringing Canadian film into the classroom and engaging students and youth in a conversation about identity and what it means to be Canadian. Since 2005, we have held over 6,000 educational screenings in both English and French, and have reached more than one million young people.
